

An Immersion in Japanese Culture

From **5/30/2020**
to **6/7/2020**

Ship: **LE SOLEAL**

From **Osaka**
to **Maizuru**

Japan is a country pulled in two radically different directions. It deeply honors its past but rushes headlong into the future. Hyper-modernity exists side by side with the quiet serenity of ancient shrines and gardens. On this voyage we discover both of these aspects. The **traditional aesthetic** is evident everywhere in the architecture and adornments of the **Buddhist and Shinto shrines** we visit throughout our journey, in a **traditional tea ceremony**, and in our **private audience with the Abbot of Kofukuji Temple in Nagasaki**. The modernist impulse is evident in the architecture of the cities through which we travel and also represented in the arts on display in the **Adachi Museum** in Sakaiminato, in the **Pusan Museum of Art**, and in the **Ohara Museum of Art** in Kurashiki. Sampling Japanese **food and drink**; experiencing traditions of **music and dance**; witnessing the practice of **religion**; viewing **art** both ancient and modern; walking through modern cities and admiring ancient shrines – these are the elements of our immersion in **the culture of Japan**.
