AT SEA

Arrival 10/4/2020

Departure 10/6/2020

During your day at sea, make the most of the many services and activities on board. Treat yourself to a moment of relaxation in the spa or stay in shape in the fitness centre. Depending on the season, let yourself be tempted by the swimming pool or a spot of sunbathing. This day without a port of call will also be an opportunity to enjoy the conferences or shows proposed on board, to do some shopping in the boutique or to meet the PONANT photographers in their dedicated space. As for lovers of the open sea, they will be able to visit the ship's upper deck to admire the spectacle of the waves and perhaps be lucky enough to observe marine species. A truly enchanted interlude, combining comfort, rest and entertainment.

SAN DIEGO

To the south of California, close to the border with Mexico, **San Diego** enjoys a privileged natural environment on the shores of the **Pacific**. One of the largest fleets of US Navy vessels is stationed in this strategic port. The sunny climate and the beautiful sandy beaches compete for visitors' attention with the picturesque historic districts such as the **Gaslamp Quarter**, always lit up at dusk by gas lamps, a real journey back in time. Do not miss Balboa Park and its museums as well as **San Diego Zoo**, one of the most beautiful zoos in the world, home to a large number of endangered species. But the show also continues on the surrounding beaches where it is not uncommon to come across sealions!
