YOUR CRUISE

Discover a new Ponant itinerary that explores the essential towns and sites of South Africa's wild east coast.

At the crossroads of Atlantic and Indian Oceans, embark on a 9-day cruise between Cape Town, mother-city of the country, and Durban, a cosmopolitan seaside city.

This journey in South Africa will also allow you to discover Port Elizabeth, nicknamed "the friendly city" for its welcoming inhabitants, and Richards Bay, the largest port in the country.

A land of ethnic diversity, South Africa is often described as "a world in one country". Its incredible melting pot of cultures, religions, and histories infuse its rich heritage. The diversity of fauna and flora is also one of South Africa's treasures: the nation is home to three of the largest terrestrial mammals—the elephant, rhinoceros and hippopotamus—and its plant life alone represents one tenth of the world's botanic heritage, with some 25.000 species.

Between its bustling metropolises and its breathtaking natural beauty, we invite you to discover the two contrasting sides of this incredible country.

FOCUS ON... CAPE TOWN

Dynamic and peaceful, cosmopolitan and hip, Cape Town offers its visitors a most unique mix. Here, the locals like to say that their city is "the quintessential melting pot of South Africa". Located in the heart of one of the most beautiful bays in the world and dominated by the famous Table Mountain, it is graced with extraordinary landscapes including sheer cliffs that plunge into the Atlantic Ocean and vast whitesand beaches. We invite you to discover this incredible city, the South African capital of fashion, the art of living, and gastronomy. Further on, the Cape of Good Hope Nature Reserve awaits you and is home to a wide variety of endemic fauna and flora.
