YOUR CRUISE

To begin your cruise, discover the Falkland Islands and their undulating hills and verdant moors. Farther along, South Georgia is home to imposing glaciers that tilt towards the sea and the black sandy beaches play host to thousands of King Penguins, the emblem of this faraway land.

Then, we will head South to discover the Northern Peninsula's unique beauty: iridescent icebergs, floating ice fields and extraordinary marine mammals, such as the majestic Humpback Whale or Leopard Seals, playing in the ships' wake.
