YOUR CRUISE

In partnership with GÉO.

PONANT invites you to discover wild and idyllic landscapes with an exceptional itinerary to the heart of the Indian Ocean.

From the cosmopolitan city of Durban in South Africa, you will set sail aboard *Le Lyrial* for a 16-day expedition cruise between the Scattered Islands and the Seychelles.

You will start this cruise with the discovery of the Scattered Islands. Classified as a Nature Reserve, these islands offer almost entirely unspoiled vegetation, long sandy beaches, lagoons of turquoise water and coral reefs that are home to the highest concentration of sea turtles in the world.

You will also sail to the Aldabra Atoll, an immense stretch of land lying in the heart of the Seychelles. When *Le Lyrial* slowly approaches its shimmering shores, you will be able to appreciate a natural delight that is a UNESCO World Heritage site.

From port to port, you will vary the pleasures, between relaxing on sublime beaches and discovering the pristine nature.
