YOUR CRUISE

Between the Pacific Ocean and the Atlantic, PONANT invites you to discover the countless treasures of the Afro-Caribbean cultures.

From the long, immaculate beaches of Panama to languorous Martinique, you will sail aboard the *Le Boréal* for an unforgettable 8-day cruise.

To begin your trip, you will sail among the San Blas Islands. In this idyllic environment composed of 365 coral islets, you will be able to visit the island of Holandes Cayes and meet the Kuna people who still live off hunting and fishing.

In the south-western corner of the Caribbean Sea, a group of low-lying islands, channels and lagoons will lead you to the mythical Cartagena de Indias. You will enjoy strolling along the narrow streets with colourful façades in this old colonial city founded at the time of the conquistadors.

Off the Venezuelan coast, you will discover the special atmosphere of the Dutch Caribbean. Willemstad, the capital of Curaçao, will reveal its charming colonial architecture.

You will end this cruise in the heart of the Caribbean. From the island of Saint Lucia to Martinique, this faraway archipelago will dazzle you with its colour palette and idyllic landscapes.
