### YOUR CRUISE

In partnership with Le MuCEM.

At the crossroads of the Atlantic and the Mediterranean, set sail to discover a brand new Ponant itinerary.

From Lisbon, embark aboard Le Lyrial for an 8-day cruise through grandiose landscapes.

Portugal's capital city located on the banks of the Tagus, only a few kilometres from the Atlantic coast, is a city of exceptionally rich cultural diversity.

You will sail on to Spain and its Andalusian Cadiz. Built on a rock and surrounded by the sea on all sides, it is the oldest continuously inhabited city of the country.

You will also call at Casablanca, the so-called "white city" which manages to combine tradition and modernity.

You will discover Funchal, the attractive capital of Madeira located on the southern coast of the island. You can admire its atypical identity through the beauty of its architecture, its paved streets, its cathedral, its churches and its ancient fortress.

Fall under the charm of the volcanic archipelago of Canary Islands, before you disembark at Tenerife.
