YOUR CRUISE

Cruise with Ponant on a beautiful **itinerary** and discover the **beauty of the Norwegian fjords**.

Come aboard the *Le Boréal* for an **8-day cruise** and sail along the Norwegian coastline, whose vertiginous cliff faces have been sculpted by the wind and the sea, giving rise to many unspoiled fjords.

You will also visit **Stavanger**, a cosmopolitan and prosperous small town with a perfectly balanced blend of old and new. During your stopover, walk the paved streets and admire the wonderfully preserved **fishermen's houses** that date from the 18th century.

A must-visit port of call on your trip is Geiranger, a small Norwegian town located in the Sunnmøre region. In 2005, **the Geiranger fjord** became a UNESCO World Heritage Site.

During your cruise you will discover the Bridal Veil and Seven Sisters, two famous waterfalls with mythical names.
