YOUR CRUISE

Exclusive cruise for members of the PONANT Yacht Club

To celebrate its 30th birthday, PONANT brings you an exceptional cruise on the Atlantic coast, where you will discover the Ponant Isles.

Leaving from Lorient, you will spend 8 days experiencing unique moments on land and on sea aboard *Le Soléal*.

The Ponant Isles, the common theme of this brand new cruise, form a large archipelago off the French coast. Washed either by the English Channel or by the Atlantic, they owe their name to their Western geographical situation: Ponant meaning literally where the sun sets.

Belle-Île-en-Mer, to the south of Brittany, will be one of the key ports of call. The Impressionist painter Claude Monet lived for a while in the village of Kervilahouen on this island. Make sure you climb the 247 steps of the Grand Phare lighthouse for a breathtaking view over the ocean.

During the voyage, *Le Soléal* will sail along the Houat, Groix and Sein Islands... these many islands with wild and preserved coastlines.

You will also call at Concarneau. Originating on the former fortified island and attached to the mainline by a bridge, the 'ville close' walled town is one of the most popular places in Brittany. But Concarneau is also a fishing port with enduring folklore and very beautiful beaches.

During your stop in Saint-Malo, a town famous for the legendary Route du Rhum yacht race, lose yourself in the diversity of its heritage, stroll along its rampart walks, and fall under the charm of the city of privateers.
