YOUR CRUISE

From Italy to Greece, discover the most beautiful port of calls of Amalfi coast and Ancient Greece during a 8-days cruise on board *Le Lapéouse*.

In a setting of vegetation and colourful tropical flowers, of bougainvilleas and oleanders, in the shadow of the snow-topped peak of Mount Etna, Taormina casts a spell over all its visitors.

Dreams are made of this - the multi-coloured strata of rocky outcrops in the Cyclades emerge from the shimmering waters of the Aegean Sea. Discover some of those pristine islands; Mykonos, with its wonderful white houses, winding streets, windmills, blue domed churches and magnificent beaches or even Delos, the sacred island where legend has it that Apollo was born.

FOCUS ON... ATHENS

The Greek capital city is located on the edge of the Saronic gulf, in the east of the country. It bears a plural name in reference to the first villages that surround the Acropolis. You will be enchanted by the rocky plateau presided by its monuments listed as UNESCO World Heritage. In the city below, you can visit some of the liveliest districts in Athens: Plaka, with its maze of colourful streets, and where, in the evenings the drifting aroma of moussaka and garlic prawns will tickle your taste buds. Don't miss anything of the city's cultural past. Pay a visit to the National Archaeological museum, or the Cycladic Art Museum.
