### YOUR CRUISE

PONANT invites you to discover a condensed overview of Central America's architectural gems and most stunning natural treasures through an exceptional itinerary.

In Puerto Vallarta, you will board the *L'Austral* for a 13-day cruise to 5 countries!

Your ship will chart a course towards Huatulco in Mexico and its preserved bays edged with magnificent beaches.

From Puerto Quetzal, you will be able to visit Antigua Guatemala. Listed as a UNESCO World Heritage Site, this city, overlooked by majestic volcanoes, is often considered to be the country's most beautiful.

When your ship calls at San Juan del Sur in Nicaragua, you will travel to Granada, at the foot of the Mombacho volcano. This town is teeming with architectural treasures, and combines Moorish, Andalusian, Baroque and neo-Classical styles.

The *L'Austral* will stop in Quepos, the gateway to one of Costa Rica's finest natural treasures, the Manuel Antonio National Park. Combining lush tropical rainforest and abundant wildlife, this unspoiled park is fringed with idyllic beaches.
