YOUR CRUISE

Follow in the footsteps of the gold prospectors on this 8-day cruise brought to you by PONANT. This exceptional itinerary aboard *Le Soléal* will take you from Alaska to British Columbia, to discover magnificent landscapes marked by the Gold Rush.

After embarking in Juneau, the capital of Alaska long inhabited by the Tlingit people, sailing along Tracy Arm, one of Alaska's most beautiful fjords, will undoubtedly be one of the highlights of your cruise.

Do not miss the chance to visit Haines, where majestic bald eagles are often spotted flying over the houses and Skagway, where many pioneers came in search of gold at the end of the 19th century.

You will then discover Sitka, a former Russian settlement surrounded by tall mountains known for their centuries-old totem poles, and the wonderful landscapes of the Misty Fjords.

Before disembarking in Vancouver, you will make your way down the east coast of Alaska, whose Inside Passage, shaped by the sculpture of imposing glaciers, is home to vertiginous fjords. Here, the natural environment includes glaciers, coniferous forests, and myriad islands and islets magnified by the wonderful play of light.

The encounters with the wildlife described above illustrate possible experiences only and cannot be guaranteed.
