YOUR CRUISE

In partnership with the Mucem.

Starting in Athens, step aboard *Le Bougainville* for an 8-day cruise between Greece and the majestic Italian coast.

After the visit of Patmos, your ship will call at Sifnos in the Cyclades. Discover this harmonious island exploited since Antiquity for its gold and silver mines, offering gentle landscapes, mountains paths and a rich endemic flora. From the main port of Kamares, set off to the picturesque fortified village of Kastro, sitting atop a hill overlooking the Aegean Sea.

You will then sail along the Corinth Canal before making your way t o Katakolon. On the slopes of Mt Cronion, you can enjoy the unique experience of visiting the UNESCO World Heritage listed Olympus archaeological site.

In a setting of vegetation and colourful tropical flowers, of bougainvilleas and oleanders, in the shadow of the snow-topped peak of Mount Etna, Taormina casts a spell over all its visitors.

During your stop in Naples, one of the oldest cities in the world, visit the baroque churches, the romantic plazas and the ancient palaces. The host of monuments and landmarks bear witness to the richness of this city dominated by Mount Vesuvius, which stands over 1,000 metres tall.

You will continue to sail along the Italian coast to Civitavecchia, the final stop on your trip to these lands brimming with history.
