YOUR CRUISE

Discover a new **PONANT** itinerary of must-see towns and sites along the Croatian, Italian and Sicilian coasts. Step aboard *Le Lyrial* for an unforgettable 8-day cruise from the Adriatic to the Tyrrhenian Sea.

From **Venice**, the *Serenissima*, your ship will first sail to the picturesque islands of Brac and Lopud in the Dalmatian archipelago, before calling at **Otranto**, a town located in the magnificent Puglia region.

Then you will head to Sicily. In a setting of vegetation and colourful tropical flowers, of bougainvilleas and oleanders, in the shadow of the snow-topped peak of Mount Etna, **Taormina** casts a spell over all its visitors. Don't miss the visit of its famed ancient Greek theatre, where the quality of the acoustics is exceptional.

Lipari is the capital of the Aeolian volcanic archipelago and is particularly known for its many natural and architectural gems. Not far from there, the active **Stromboli volcano**, whose crater regularly erupts with lava flows, offers amazing sights.

Finally, you will visit **Amalfi and its coast**, which are magnificent UNESCO World Heritage Sites. Perched between sky and sea, Amalfi and the little villages hidden nearby present amazing landscapes.
