YOUR CRUISE

From Tahiti, PONANT invites you to embark on a brand-new 10-day cruise to discover French Polynesia. Set sail for an unforgettable journey to discover idyllic islands and atolls.

Between pearl farms and white sandy beaches, French Polynesia will reveal its many mysteries to you. Surrounded by superb lagoons of translucent waters edged by exceptional coral reefs, the islands of Polynesia are undoubtedly some of the most beautiful in the world and home to an astonishing and rich wildlife.

An experienced diving instructor is on board for the entire cruise, enabling you to safely enjoy swimming and scuba diving.

First of all, your ship will take you towards one of the most secret and authentic archipelagos in Polynesia: the Austral Islands.

Various ports of call will enable you to admire the sumptuous "motu piscine" reef islet of Raivavae, the coral reefs of Tubuai, the mysterious marine caves of Rurutu, and discover the traditional handicraft of Rimatara.

On these islands off the beaten path, nature and ancestral traditions are treasures that are shared in all simplicity.

You will then head towards the Society Islands. You will be dazzled by the incomparable beauty of Bora Bora, with its distinctly recognisable volcanic silhouette, and will also appreciate Moorea, with its hillside pineapple plantations and its verdant peaks overlooking the island.
